

Lawn & Garden Equipment Rebate & Exchange Program

Sunday, April 27 - 10am-2pm

Trade in your old gas-powered lawn mower for a reel push mower and receive a \$50 rebate check. Trade in your gas-powered trimmer or leaf blower and replace it with an electric model and receive a \$25 rebate check. Trade in your old gas can and receive a FREE no-spill gas can.

Gas-powered lawn and garden equipment, along with other non-road engines, produce approximately 20% of the compounds which lead to smog each summer day. Let the Department of Environmental Protection help you trade in your polluting gas cans and equipment for cleaner alternatives and for cleaner air!

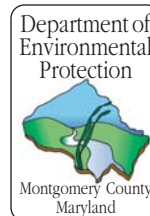

All mowers, trimmers and leaf blowers must be in working condition and must be scrapped at the April 27 Household Hazardous Waste Collection at the Upcounty Regional Service Center, Germantown. Participants will receive a copy of the official

Reservation & Redemption form when they turn in their old equipment on April 27. To receive a rebate, submit the completed form with the UPC code and receipt from the purchase of your new equipment. A rebate will be mailed to you. Limited quantities of gas can and rebate checks are available*. Call and reserve yours today!

Call 240.777.7770
for reservations or more details.

*285 gas cans, 40 mower rebates
35 each leaf blower and trimmer
rebates; only one can or rebate per
household.

Exchange program made possible
through the cooperation of the
Montgomery County Department
of Public Works and Transportation,
Division of Solid Waste Services.
